Rehoboth Christian Athletic Conduct

Please Read through the handbook in its entirety before signing and initialing this form. The Athletic Handbook is located at the following website: http://www.rcsnm.org/athletic-forms.cfm

I have read, understand and agree to the guidelines of the Rehoboth Christian Athletic handbook. __________ (initial here).

Rehoboth Christian School students who participate in athletics represent the school in a distinctive way. These students, therefore, take upon themselves the responsibility of defending and promoting the ideals of the school by their actions and words. Athletes are to behave in a manner consistent with that expected of a Christian and to conduct their lives so as to bring honor and respect upon themselves and their school.

Students are asked to sign the following:

“I realize it is a privilege to represent Rehoboth Christian School in athletic events. I promise not to use tobacco, alcohol beverages, or non prescribed drugs, both during the school year and the summer months.”

“I understand that at Rehoboth Christian School there is a Christian standard of behavior that monitors our words and deeds in the classroom, at athletic activities, and in everyday life. If I seriously violate these standards, I will be subject to discipline.”

“If my actions are such that I am judged to have violated the letter or the intent of the code, I agree to submit to the discipline of the Athletic Discipline Committee.”

“I acknowledge that interscholastic athletics is a privilege and not a right. I am a student before an athlete and if I am not able to uphold academic excellence throughout my seasons of play, I understand my participation in athletics will be negatively impacted.”

Concussion Information & Signatures

Please read the following two pages about senate bill 1 and brain injuries. You are asked to be familiar with the state laws regarding concussions, signs and symptoms of concussions, and the steps needed to recover from a concussion. **You and your student must sign at the bottom of this form.**

**NMAA** New Mexico Activities Association

**CONCUSSION IN SPORTS**

A Fact Sheet for Athletes and Parents

**WHAT IS A CONCUSSION?**

A concussion is an injury that changes how the cells in the brain normally work. A concussion is caused by a blow to the head or body that causes the brain to move rapidly inside the skull. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. Concussions can also result from a fall or from players colliding with each other or with obstacles, such as a goalpost.

**WHAT ARE THE SIGNS AND SYMPTOMS OF A CONCUSSION?**

Observed by the Athlete:

- Headache or “pressure” in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Bothered by light
- Bothered by noise
- Feeling sluggish, hazy, foggy, or groggy
- Difficulty paying attention
- Memory problems
- Confusion
- Does not “feel right”

Observed by the Parent / Guardian:

- Is confused about assignment or position
- Forgets an instruction
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows behavior or personality changes
- Can’t recall events after hit or fall
- Appears dazed or stunned

**WHAT TO DO IF SIGNS/SYMPTOMS OF A CONCUSSION ARE PRESENT**

**Athlete:**

- **TELL YOUR COACH IMMEDIATELY!**
- Inform Parents
- Seek Medical Attention
- Give Yourself Time to Recover

**Parent / Guardian:**

- Seek Medical Attention
- Keep Your Child Out of Play
- Discuss Plan to Return with the Coach

It’s better to miss one game than the whole season.

Give yourself time to get better. If you have had a concussion, your brain needs time to heal. While your brain is still healing, you are much more likely to have a second concussion. Second or later concussions can cause damage to your brain. It is important to rest until you get approval from a doctor or health care professional to return to play.
RETURN TO PLAY GUIDELINES UNDER THE SB1
1. Remove immediately from activity when signs/symptoms are present.
2. Must not return to full activity prior to a minimum of 10 days.
3. Release from medical professional required for return.
4. Follow school district’s return to play guidelines.
5. Coaches continue to monitor for signs/symptoms once athletes return to activity.
