## Public Announcement

FDIHB COVID-19 Vaccination Distribution Update.

### **Nahata'Dziil Health Center COVID-19 Drive-Thru Vaccination Event for 18 years old and older Rescheduled to Sunday, February 21, 2021**

SANDERS, AZ, - Nahata'Dziil Health Center (NDHC) will be conducting a COVID-19 Drive-thru Vaccination event on **Sunday, February 21, 2021** for individuals 18 years old and older. 500 doses of the Moderna COVID-19 vaccine will be administered to individuals who reside within the communities NDHC serves and have established Patient Medical Records at NDHC or Tséhootsooí Medical Center in Fort Defiance Arizona. The Moderna COVID-19 vaccine is administered into the muscle as a 2-dose series, one (1) month apart. The vaccination event is for individuals to receive the first dose of the vaccine with a commitment to receiving the second dose on March 21, 2021 at NDHC. For more information regarding the Moderna COVID-19 vaccine visit: <https://www.modernatx.com/covid19vaccine-eua/recipients/>

**The event will begin at 9:00 a.m. and run until all 500 doses are given.**

This vaccination event will be conducted by drive-thru services at Nahata'Dziil Health Center. Patients should come prepared for at least a two (2) hour wait in their vehicles including ensuring vehicles have enough fuel, and that patients bring snacks and drinks.

All individuals receiving the first dose must commit to attend a "Booster Event" on Tuesday, March 21, 2021 to receive the second dose, which is highly recommended in order to gain full efficacy and "protection" of the vaccine.

For more information individuals can call 928-688-5600

The COVID 19 Vaccine is **not** recommended for patients who have the following:

- Have cough, fever, shortness of breath or loss of taste or smell or any other illness.
- Had COVID-19 in the past 3 months
- Are currently in isolation for a household member with COVID-19 or an exposure.
- Currently waiting to receive COVID-19 test results.
- Had any other vaccination in the past 14 days.

Events are subject to change. For updates and changes, please look on our Facebook or Instagram pages. FDIHB has established a COVID-19 hotline (928-729-3435) that can receive public questions regarding symptoms, testing and vaccines. Or visit [fdihb.org/covid19](http://fdihb.org/covid19).
